

Intealth

VISION: The trusted global authority on health care education

ECFMG

MISSION

To serve the public by:

- Assuring the qualifications of health care professionals
- Providing primary-source verification of credentials of health care professionals, as they serve throughout the world
- Supporting international medical graduates who seek graduate medical education in the United States

FAIMER

MISSION

Through partnership and collaboration:

- Conduct data analyses and research to inform policies and program development in support of ECFMG missions
- Support the education of physicians and other health care professionals worldwide
- Develop resources on health care workforce used by global communities
